

Prayer to the BLESSED LUIGI MONZA

Blessed Luigi Monza,
good shepherd
always waking in prayers
in the nights,
looking for the lost sheep
during the day,
you have given us
the vivid and fertile image
of the mystery of the grain
rotting to produce the ear.

Intercedes for us, that we may obtain
prayer and charity,
saints to flourish among us,
endless hope to the weak
and for our families and communities
to live in the happiness
of being one in heart and soul.

(in silence ask for a grace)
